Rap

You are welcome
I am welcome
We are welcome
To be Jesus' friend

Verse 1

It doesn't matter what you've done (No)
It doesn't matter if you're chewing gum (No)
It doesn't matter where you live
Or if your hair is all a frizz

Chorus

You are welcome
I am welcome (yeah)
We are welcome
Jesus wants to be our friend

Verse 2

It doesn't matter if you love football
It doesn't matter if you're short or tall
It doesn't matter if you're all alone
Or you've got lots of numbers in your phone

(Chorus)
